

Naviti Resort Coral Coast Fiji

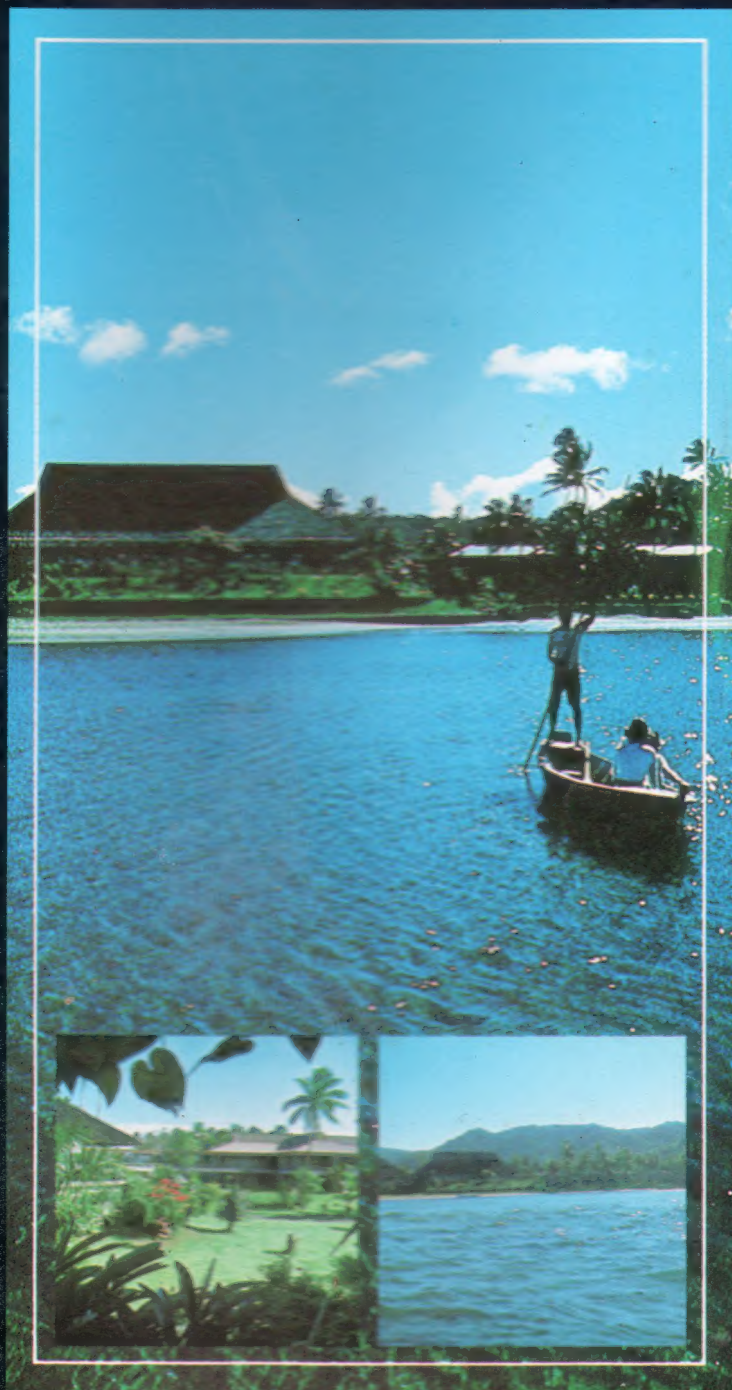

Naviti is a very special word to the Fijian. To him it means The Real Fiji. The place where his heart is. This is why we named our fabulous resort "Naviti". It's Fijian conceived and Fijian designed, staffed and operated by Fijians. Whatever your tastes, you'll find you can indulge them at Naviti. If you want to relax and do nothing except soak up the sun, eat and drink — fine. If you prefer something more active — snorkelling, golf, swimming, walking — fine too. A little of everything? Fine again. Everything's possible at Naviti.

Welcome to Naviti Resort . . .

Naviti means "The Fiji", and the fabulous Naviti is a truly Fiji owned and operated resort hotel on the Coral Coast — the playground of fascinating Fiji. Naviti Resort has all the facilities you'd expect from a great resort. But, more important, Naviti has that talent peculiar to Fijians for making you feel welcomed, wanted, relaxed and at the same time being unobtrusively organised to cater for your every wish.

Naviti Resort is situated on its own beautiful private bay, surrounded by rolling green hills and valleys, swaying palm trees and an unspoilt calm lagoon — crystal-clear, sparkling, inviting. Two picturesque sandy islands just off-shore offer delightful surroundings for private picnics.

Accommodation . . .

is all you'd expect from a first-class Fijian resort hotel. A choice of 150 spacious luxurious suites, tastefully furnished and completely air-conditioned. Sliding doors open onto your own private balcony where you can relax, doze or sunbathe. There's a walk-in dressing room, private bath and shower, telephone and complimentary tea and coffee. The larger executive suites have their own private bars and consist of two gracefully furnished rooms separated by a fold-away partition. Two bathrooms and toilets.

And the view from your room is magnificent!
All rooms overlook the shimmering cool blue waters of the bay.

For a non-conventional Convention

We have complete facilities available for up to 350 people. Audio-visual and sound systems, and projectors, are all available and we'll negotiate special accommodation rates depending on the number attending. At Naviti we will make your convention a success and one to be remembered.

International Cuisine

Savour superbly prepared food served by our smiling, friendly, efficient waiters in the main dining room. European, Indian and local dishes are all available. And to complement the food we have an extensive selection of fine imported wines and liqueurs. Located near the swimming pool is the inside and outside lunch bar for tasty, well prepared meals. You can dine in the shade or the sun.

Let us entertain you

Our resident dance band and vocalist performs nightly in our lounge bar where you can enjoy grand service and great music. Next door to the dining room is our nightclub and disco. You can wine and dine in intimate surroundings or dance the night away to the frenetic sounds of the latest pop tunes. Of course, no stay at Naviti Resort is complete without a Meke — a fabulous feast of food and entertainment. The famous Fijian Firewalkers also perform weekly at our resort. And if you can't find the children, they'll probably be in our Games Room, enjoying table tennis, pool or mini soccer.

Love swimming?

Good. Jump in, the water's always fine, whether it be in the blue waters of our unspoilt Pacific or the cool, crystal clear fresh water of our superb swimming pool. There's even a special mini pool for children. Relax on comfortable, cushioned deck chairs. Order a drink from our cruising waiters at the pool bar and sip and laze away to your heart's content.

Feel energetic?

There's plenty to do at Naviti Resort. Take a trip in a glass-bottomed boat, and view colourful live coral. Or get a closer look by going snorkelling. All the gear you need is available and our guides will show you the way. Catch a big one, go deep sea fishing. Play golf? We've got a 9 hole golf course that will give you plenty of iron practice if you're a golfer, and a ton of fun if you're a duffer. You can have a game of volleyball or badminton. Horseriding along the beach is available too. Sight-seeing tours and village walks. It's all here at Naviti Resort.
